

SAMBUCA RAMAZZOTTI

A traditional Sambuca still made with all natural star anis from China. It's lighter in alcohol (38% as compared to most others at 42%) for a smoother taste and cleaner finish. It is a truly distinct Sambuca who's quality trumps the others.

It's pure and elegant flavor make it perfect to sip on the rocks, add to coffee or drink after dinner traditionally with coffee beans.

Ramazzotti Sambuca is perfect for bartenders. It does not cloud when adding other liquids as do many other anis flavored liquors and it's lower alcohol level gives it balance in cocktails.

It is also a wonderful ingredient for chefs and pastry chefs who are looking for the finest quality at a super price point.
